

Dry Erase Boards

Nettle Creek's Dry Erase Boards are not only attractive but practical as well.

Dry Erase Boards are printed on Kodak's Metallic Paper and mounted to a black bevel edged board for a dynamic look.

This Metallic surface allows the use of Dry Erase Markers (Included) to write notes and reminders or to personalize the photograph and then to "erase" and begin again.

Dry Erase Boards come complete with Marker Pen/Eraser and can be ordered with a choice of magnetic backing, easel back wing, or stick-on hanger.

Boards can be attached in a school or gym locker, placed next to the phone, set on a desk or attached to the refrigerator.

Options such as background color, background Image or texture drop-in, text color and text style, layout position and frame shapes are available.
